

MATHS

As well as our daily CLIC sessions, we will also explore;

Multiplication and division, fractions, position and direction, place value (within 100), money and time (Y1).

Fractions, time, statistics, position and direction (Y2).

PE

Sending and receiving games.

COMPUTING

Digital Writing- explore the keyboard and add/remove text.

ART

Focus: we will be evaluating and creating art based on Romero Britto.

RE

Unit 2.3- Questions, Questions. What are the big Questions for Judaism and Christianity?

Class 2 Summer Term

On the Farm

SCIENCE

Animals including humans- this unit explores the diet of farm animals.

We will learn all about how to classify animals based on what they eat; herbivores, carnivores and omnivores.

GEOGRAPHY

The children will learn how to draw their own maps, as well as use maps and be able to recognise the basic symbols too.

LITERACY

Oliver's Vegetables

Story/description

Poetry about the King's Coronation

Information text about farm animals

PSHE

Living in the Wider World-

The children will discover how to look after living things in our environment and how to nurture our environment too.

MUSIC

We will continue to follow our Charanga scheme, each week we will study a different style of music.
