## MATHS

As well as our ongoing **CLIC**, Year 5 will be focusing on: decimals and percentages, properties of shape, position and direction, converting units, measurement and volume

As well as our ongoing **CLIC**, Year 6 will be focusing on: ratio, statistics, properties of shapes and consolidation of previous units

## PE

Net/wall games

Athletics

## COMPUTING Programming –

**Variables in games** This unit explores the concept of variables in programming through games in Scratch.

## Design and Technology – Textiles

We will design, create and evaluate a commemorative bag to celebrate the King's coronation this term.

## RE

We will be looking at what **Pilgrimages** are and specifically why **Muslims and Christians** go on them.

**WOW EVENTS!** Year 6 will be lucky enough to visit London in this very special year of King Charles III's coronation. Such a fantastic way to finish their final year at Dunswell. Year 5 will also enjoy their Robinwood residential this term too!

**SCIENCE: Light.** In this unit we will learn about how we see, shadows, reflection and refraction. We will learn about how light travels and how this enables us to see.

**Geography: Trade and journeys** In this unit, children will find out about the UK's global trade links, investigating where everyday products come from and the journeys they take to our homes.

**HISTORY: Black History** - We will begin our history topic in South Africa learning about Nelson Mandela and how he changed the lives of millions of people across the world. We will then explore how life has changed through the ages for the black community living in Britain throughout different time periods. Throughout this unit we will look at terms such as empire, migration, exploration, exploitation, slavery and discrimination.

## ENGLISH

New chapter in the style of an author

Explanation texts

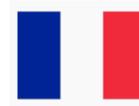

Poetry: Similes and metaphors

**Reading skills:**

Street Child

## FRENCH

Café culture and phrases.

**PSHE Health and Wellbeing – Be Yourself**  
Children will be encouraged to develop a positive view of their individuality. We will focus on the importance of recognising situations where they need to make positive choices in order to do the right thing.

## MUSIC

We will be celebrating inspirational women in music this term by evaluating work of influential female musicians. We will use their music to help compose our own.
