World Book Day Friday 8th March 2024

Dear Parents and Carers

This year we will be celebrating World Book Day on Friday 8th March 2024. Our school council has made the decision that on this day, children can dress up as their favourite book character and bring their favourite book into school to share with their classmates.

World Book Day is all about fostering a love for reading. With this in mind, our school council will be running a book swap stall during the day. Book swaps are a great way to share your love of reading and discover exciting new books. Therefore, we kindly ask if your child would donate a book that they have already read and would like to exchange for a different book. Please could these books be brought into school on Friday 8th March.

For participating in World Book Day, each child will receive a book voucher to spend on a book of their choice. We are looking forward to meeting many wonderful book characters!

Thank you for your support.
