20th November 2024

Dear Parents and Carers

We would like to invite you in to school for an informal afternoon of craft making.

On Wednesday 4<sup>th</sup> December, we will be opening school up to you all so that you may come in and visit your child's classroom. While in school you will be able to see your child in their classroom environment whilst working alongside them on some craft activities. There will be two appointment times, 1.30-2.15pm and 2.40-3.25pm which can be booked using the links below.

We feel this format will allow you to see school life through your child's eyes and be part of their school experience. The session will allow you to see your child in the school environment. If you have more than one child in school, you will be able to move between classrooms in your allocated time.

We are really excited to be able to welcome you into our school and believe that this will be an all-round enjoyable experience for all involved. Although the session will be informal, please sign up on the link below as the sizes of the classrooms mean that spaces will be limited. If you have more than one child, just choose one of the class links to complete as you will be able to move through school during your one session. On this occasion, we ask that just one parent per child attends.

Thank you for your continuing support, now and into the future.

Yours sincerely
