

Class Three Curriculum Overview – Spring

English

This term, our writing will include setting descriptions, a diary entry, and poetry. We will be learning how to write stories about different dilemmas and varied book reviews.

In reading, we will explore *Charlotte's Web* by E.B White, a fantasy novel that will help us develop comprehension skills and inspire our own writing.

Maths

Alongside our daily CLIC sessions, we will focus on key topics including multiplication and division, length and perimeter, fractions, and mass and capacity. These lessons will help pupils build strong foundational skills in mathematics.

Geography

Climate Matters

History

Britain from Stone Age to Iron Age

Science

Fossils, Soils and Light

Computing

Creating Media: Stop Frame

DT

Textiles

Art

Painting – Pop Art

Music

Composing Using Imagination
